## Simpson Planning 3 New Indictments In Hall Murders

By JACK MILEY

GRAPHIC Staff Correspondent

SOMERVILLE, N. J., Oct. 16.—Three more persons are to be indicted as accessories after the fact in the Hall-Hills murder case.

That was the statement last night of Special Prosecutor Alexander W. Simpson, who explained he will lay his evidence before the Somerset county grand jury Wednesday.

According to reports, the indictments will name Mrs. Minna Clark, friend of Mrs. Eleanor R. Mills; Louise Geist Riehl, a former maid in the Hall home at New Brunswick, and a state investigator, who, Simpson alleges, has supplied information to defense counsel.

Felix Di Martini, already indicted as an accessory after the fact, lost another step in his fight against extradition when Justice Kelly of the Supreme Court in Brooklyn refused to permit his release under bail.

The motion was opposed by Assistant District Attorney Sullivan, who contended Justice Kelly had

## 2 MEN HELD IN \$50,000 BAIL IN GIRL KIDNAPING

Antonio Ulio, 21, of 2639 98th St., Corona, and Francesco Belentende, 21, of 343 East 9th St., Manhattan, were held in \$50,000 bail each for the Queens grand jury on a charge of kidnaping by Magistrate Frank Giorgio in the Long Island City Magistrate's Court yesterday.

They were jailed when Jennie Barberi, 18, of 3146 102d St., Corona, preferred charges against them.

## Charge Fur Theft; Held Without Bail

Three men were held without bail for the Queens county grand jury on charges of burglary and grand larceny before Magistrate Conway in Ridgewood.

They are Conrad Trupp, 30, of 1283 Dekalb Ave., Brooklyn; his brother, George, 28, of the same address, and William Jarvis, 26, of 1623 Summerfield St., Ridgewood.

Police accuse them of stealing four fur coats, valued at \$1,200, from a store in Ridgewood.

## FEW CHANGES NOTED IN GOLDEN HORSESHOE

Few changes will be seen in the golden horseshoe of the Metropolitan Opera House when the forty-second season opens on November 1. Only two of the partierre boxes have been sold. Others have been leased for certain rights of the season.

The only changes will be in the August Belmont box, which has been sold to Robert S. Brewster, and the adjoining box, which was sold by the heirs of the late William K. Vanderbilt to Frazier Jelke.

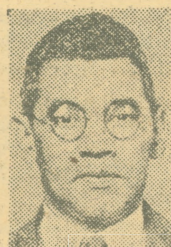

## Blow Open Safe, Make Big Haul

Bandits early today entered the offices of the Hempstead Lumber Company at Kings Highway and Utica Avenue, Brooklyn, bound the watchman and blew the safe, containing the week's payroll.

Police could give no estimate of the amount of money taken, but it is believed to run into thousands of dollars.

## Judge Rutherford says:

"IT IS conceded that all the nations are approaching a time of great conflict. The people should now be told the reason why the conflict is sure to come and what will be the result. The reason is plain. The remedy is certain. The people should have the evidence before them and then each one judge what course he shall take.

"CONDITIONS: Corruption and official lawlessness are brazenly manifested in all the nations. The people are misrepresented, oppressed and robbed by the profiteers and conscienceless politicians, who are aided in their unrighteous work by a faithless clergy. War has disrupted Europe and demoralized America. Science is employed to make the next war more diabolical and fiendish than all the combined wars of the past. All nations are rapidly hurrying on to the mighty conflict.

"CAUSES: Satan the enemy has turned the minds of the people away from the true God and all righteousness. Modern clergymen have misrepresented God and the Bible and turned the people away from the truth. They have connived with and encouraged the profiteers and conscienceless politicians in their unrighteous course of extreme selfishness. The conditions existing in ancient Egypt immediately preceding her great fall now exist the world over. The time draws near when God will make for himself a name in the earth.

"CONFLICT: The conflict between the forces of heaven and earth is impending and about to begin. The prophets of old foretold it; the physical facts prove it. No power under heaven can now prevent it.

"RESULT: Conflicts in the past have caused the fall of world powers. Concerning the one now impending Jesus says: 'It will be a time of tribulation such as the world has never known and it will be the last.'

"HOPE for the people lies in their obtaining a knowledge of God and his plan of salvation. The time is due for the people to obtain this knowledge. Millions of people will die in the great battle of Armageddon but many other millions will survive and those knowing of and obeying the divine plan will continue to live on earth and never die. Earth's darkest hour is approaching and yet it is to be followed by the time of greatest prosperity, happiness and blessing ever known. The earth will become a fit place on which to live. To aid the people in obtaining a knowledge of these facts is my sole purpose of delivering lectures."

STATESMEN of the world freely assert that all the nations are making elaborate preparations for war and that the greatest conflict of all time is imminent. These statesmen are bewildered. They are unable to give a reason for the cessation of hostilities in 1918 and are less able to give a reason why the nations are now preparing for war. Hear what the Bible foretells.
